# CRAFTED THE RIGHT WAY

Where the secret becomes flavor.

The story of Maya Azul is one of dedication, craftsmanship, and passion for Mexico's most iconic spirit. At our Clandestine Agave Distillery, skilled jimadores harvest fully mature, naturally sweet agaves, which are then slowly cooked in traditional masonry ovens to develop their rich, complex flavor.

# OUR PRODUCTION ARE ROOTED IN PARTNERSHIP & QUALITY

## Corporate Distillery Santa Lucia

Corporate Distillery Santa Lucia, S.A. de C.V. is a modern, state-of-the-art facility certified by the Tequila Regulatory Council (CRT) and compliant with the Official Mexican Standard (NOM). Here, exceptional tequilas are produced with a balance of innovation and tradition—combining advanced production methods and rigorous quality controls with deep respect for the original artisanal process, including slow cooking in masonry ovens and time-honored recipes that define Maya Azul® Tequila.

A STORY OF TRADITION, INNOVATION AND  
LOVE FOR TEQUILA

# OUR STORY

We believe that “Hard Work Tastes Different

Our goal is to amaze the world with outstanding premium spirits from Mexico. Inspired by the brilliant blue hue of agave fields beneath Mexico’s high, cloud-streaked skies, Tequila Maya Azul® embodies the magic of this extraordinary plant. Steeped in history and born in the Mayan lowlands, this sparkling spirit shines with elegance—its bottle adorned with a jade-toned finish and refined crystal design, a true symbol of craftsmanship and heritage.

# INSPIRE IN MAYAHUEL

Mayahuel is the female deity associated with the maguey plant among cultures of central Mexico.

The legendary love between Mayahuel and Quetzalcóatl transformed into the creation of the agave—a sacred plant bringing joy and blessings to humankind. From this legendary origin comes Tequila Maya Azul®, crafted in traditional alembic stills and refined with delicate notes of sweet wood and a beautifully balanced body.
